To our Sponsors,

We are excited to announce the upcoming summer concerts for the Lisle Community Band and our Concerts in the Park series. High school, college students and adults will come together again this summer season to provide one of the few, free fine arts experiences in the area. Entertaining music performed by the band promotes the fine arts in the Lisle community by providing an activity that families and audience members of all ages can enjoy. Our concerts are presented at the Lisle Park District Band Shell in Community Park.

The band expenses consist primarily of production, sheet music, promotion, insurance and related items. Funding comes from the Lisle Community Service Corporation, the Lisle Park District, Lisle Partners for Parks Foundation, band membership fees, donations and sponsors like you! You can find more information about the band on our website, [www.lislecommunityband.org](http://www.lislecommunityband.org) and see a list of other local contributors by visiting the Sponsor page on the website. Our goal is to gain the support of local businesses so that we can expand our programming, hire soloists, purchase music and ensure the continuation of the high quality of our Concerts in the Park. The Band is a not-for-profit corporation under section 501(c)(3) of the Internal Revenue Code.

Tax-deductible sponsorship opportunities exist at all levels, from monetary contributions to promotional donations (coupons, gift certificates, or gift baskets) used for our weekly raffles. Attached you will find our Sponsorship form that lists our donation levels. This is a great opportunity to tell our audiences, band members and website visitors about your business.

Based on your level of sponsorship, you can anticipate such benefits as:

- A free private performance for your business or group
- The opportunity to make comments from the stage before a performance, pick a tune or even direct the Band!
- Exposure to 65+ band members and over 200+ attendees at each concert
- Name recognition in the Lisle Community Band's summer Concerts in the Park programs
- Name recognition on the Lisle Community Band's website with links to your business
- Coupons or promotional stuffers in concert program
