The Lisle Community Band will present our 37th summer of the Concerts in the Park series beginning in June of 2025. We are offering an opportunity for local businesses to advertise and promote themselves while supporting our band and our Concerts in the Park. Many of your fellow businesses already advertise in our concert programs and have logos and links on our website. Please read the enclosed materials and learn about our band and the opportunities to promote your business.

The Lisle Community Band is made up of high school students, college students and adults who come together each summer to provide high quality music of a variety of styles. Entertaining music performed by the band promotes the fine arts in the Lisle community by providing an activity that families and audience members of all ages can enjoy. Our concerts are presented at the Lisle Park District Band Shell in Community Park.

Funding comes from the Illinois Arts Council, Lisle Community Service Corporation, the DuPage Foundation, the Lisle Park District, membership fees, and sponsors like you! You can find more information about the band on our website and see a list of other local contributors by visiting the Sponsor Page on the website, www.lislecommunityband.org. The financial support of local businesses allows us to purchase music and uniforms, hire band staff and featured soloists, and assist with operational costs. The Band is a not-for-profit corporation under section 501(c)(3) of the Internal Revenue Code and therefore your contribution is tax deductible.

Tax-deductible sponsorship opportunities exist at all levels, from monetary contributions to promotional donations (coupons, gift certificates, or gift baskets) used for our weekly raffles. Attached you will find our Sponsorship form that lists our donation levels.

Based on your level of sponsorship, you can anticipate such benefits as:
