Spring 2025

The Lisle Community Band, conducted by Steven Green, invites you to be a member of our concert band for the 2025 Summer Season. We will be celebrating our 38th season of Concerts in the Park and we are looking forward to an exciting and fun-filled summer of music.

The literature performed each summer includes a mixture of marches, light classics, original works for band, and popular music from movies and Broadway. We encourage a variety in our membership as well. High school age students through adults are welcome to join. While some band members are accomplished performers and music teachers, most are educators, business professionals, students or retired individuals who have performed in high school and college bands and share a passion for performing the finest musical literature. If you have not been playing for a while, get your instrument out and come join us to rekindle all the fun you had performing in the past.

The band is open without audition to musicians that are high school age or older on all woodwind, brass and percussion instruments. For a sample of our past repertoire, additional information and an online registration form for the Lisle Community Band please visit our website at [www.lislecommunityband.org](http://www.lislecommunityband.org). For questions email [info@lislecommunityband.org](mailto:info@lislecommunityband.org) or call Steven Green at 630-309-2756.

Our 2025 full rehearsal and concert schedule is on the About/Join tab on our website – [www.lislecommunityband.org](http://www.lislecommunityband.org). The rehearsals are Tuesdays and Thursdays in May, June and July, starting Thursday, May 29. Rehearsals are from 7:30 to 9:30 p.m. at Lisle Senior High School, 1800 Short St. Lisle, IL

Our concert schedule includes Thursday concerts that begin at 7:30 pm on June 19, June 26, July 10, and July 17. We will also have a volunteer group present a morning concert performance for July 4<sup>th</sup> Ice Cream Social in Lisle. We currently have scheduled an additional rehearsal on Tuesday, July 1 in case we need it to better prepare the second half of our season.

Our new registration system is designed to make sign-ups more efficient and ensure everyone has the best experience possible. While the Lisle Community Band was based and still operates on the principle that we welcome all players regardless of their abilities, we also recognize the physical restrictions of both our rehearsal and performance space and thus the need to limit the size of our band. We would like to formalize our enrollment process to give our previous band members a first chance at limited spots in the band.

You are required to register by completing the online registration form found on the About/Join tab on our website [www.lislecommunityband.org](http://www.lislecommunityband.org). The fee for all members is \$30 per person for the summer and this fee will need to be paid online in order to reserve your membership.
